

ICLEI Oceania Membership Fees 2023

ICLEI Local Governments for Sustainability (ICLEI Oceania) supports local governments across Australia, New Zealand and the Pacific to inspire and accelerate sustainable urban development. ICLEI Oceania is a member organisation part of the global ICLEI network of more than 2500 local and regional governments worldwide.

ICLEI Oceania welcomes membership of:

- Local and sub-national governments from Australia and New Zealand
- National, sub-national and local governments from Pacific Island Countries
- National or sub-national associations of councils

Membership fees are managed by the Global Secretariat and are based on a combination of local government population size and country Gross National Income (GNI). To assist you in determining the annual membership fee please refer to the tables below for Australia & New Zealand. For membership enquiries regarding local governments within the Pacific Island Countries or National or Subnational associations of councils, please reach out to Admin.Oceania@ICLEI.org to learn more.
